

icOPEN 2016

Call for Paper

September 26-30, 2016

Chengdu, China

<http://www.icopen.net>

International Conference on Optical and Photonic Engineering

Following the success of icOPEN2015 in Singapore, OPSS is proud to bring this well received conference to Chengdu, China for the first time.

Organised and hosted by OPSS, co-organized by Sichuan Institute of Electronics, University of Electronic Science and Technology of China, Nanjing University of Science & Technology, China and Southwest Jiaotong University of China. This event will be held in Chengdu, China during September 26-30, 2016. icOPEN2016 will provide a timely platform to conduct a recap of the latest technologies and industry milestones, and promote optical and photonic engineering to a wider audience

OPTICS

Fiber Optics
Biomedical Optics
Computational Optical Sensing and Imaging
Optical Instrumentation
Optics in Astronomy and Astrophysics
Spectroscopy, Imaging and Metrology
Optical Communications and Networking
Artificial Vision
Photorefractive Effects, Materials, and
Devices System Reliability and Security

PHOTONICS

Organic and Biophotonics
MEMS and Nanophotonics
Microwave Photonics
Power Photonics
Photonic and Optoelectronic Materials and Devices
Photonic in Communications and Switching
Ultrafast Electronics, Photonics and Optoelectronics
Green Photonics
Photodetectors, Sensors and Imaging Display Technology

icOPEN 2016 conference proceeding will be published by SPIE, which will be included in SPIE Digital Library, provided to the Web of Science Conference Proceedings Citation Index-Science, Scopus, Ei Compendex, and others, to ensure maximum awareness of the Proceedings.

Important Date

Submission Deadline: July 15, 2016.
Notification Day: August 05, 2016
Registration Deadline: August 20, 2016
Camera Ready: August 20, 2016

Venue

Sichuan Science and Technology Museum
Address: No.16, Renminzhong Road, 610000,
Chengdu, China
